FKP Architects Welcomes Kristin Ledet

Kristin Ledet, IIDA has joined FKP Interiors as **Interior Design Manager**. Her addition deepens the experience of FKP Architects' interiors practice, enhancing client service and furthering the firm's mission of Transforming Business by Design®.

Kristin brings a broad range of design expertise in healthcare, education and corporate environments. She has an exceptional talent for merging the complex functional requirements of healthcare interiors with empathetic amiability for patients, families, staff and visitors. Her inviting interiors provide intelligent solutions that infuse spaces with life and energy while optimizing performance and efficiency. She has played an integral role in transformations for many of the nation's top institutions including The University of Texas Health Science Center and Presbyterian Hospital of Dallas.

She is currently working with Nationwide Children's Hospital in Columbus, Ohio on their landmark replacement hospital.

A registered interior designer in Texas, Kristin is a graduate of Texas Tech University with a Bachelor of Interior Design. She is an active member of the International Interior Design Association, participating in various committees to help promote the interior design industry throughout the community.

FKP Interiors is part of FKP Architects' integrated design practice focused on *Transforming Business by Design®* in the healthcare, research and academic markets. Founded in 1937, FKP Architects is a renowned healthcare design industry leader providing best in class architecture, interiors, equipment integration and organizational consulting services. The firm works with top-tier pediatric and cancer institutions, academic medical campuses and health science centers throughout the world. With offices in Houston, Dallas and Charlotte, North Carolina, FKP has more than 160 employees and has completed and ongoing projects in 42 states and four foreign countries.
